## What our clients say...

"Partners have taken the time to understand our business and approach and have tailored their service to suit us perfectly. They are proactive and inventive and have become very much an extension of our team."

"Partners' knowledge of the door and window industry and their excellent relationships with the trade media have helped to achieve great results for us."

"The Partners Group has taken our brand to the next level and helped my business achieve at least 25% growth every year."

## What our clients say...

"The Partners team has an in-depth knowledge of our business and industry, which helps to create impactful PR that gets our messages across clearly. The quality of their work without doubt helps us to engage with our customers and attract new business. It is a very important relationship for us."

"We were looking for PR support from an agency that understands our sector, and Partners fits the bill perfectly. The team came highly recommended, and we were instantly impressed by their understanding of our industry and customer base, and their track record of work with manufacturing businesses. We're excited to be working together and looking forward to a long and successful partnership."

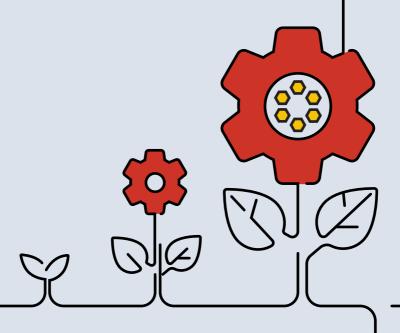

#### Why Partners?

Our work with manufacturing companies spans three decades and ranges from building components to food ingredients and integral blinds to industrial greases.

We integrate PR and digital marketing to reach the people who matter to your business in creative and strategic ways. Whether it's through online or offline channels, we'll help you take your customer on a journey from discovery to advocacy.
